Sewer Ordinance

Ordinance No. 18-01

An Ordinance to Amend Ordinance No. 27-86 as Amended and Supplemented by Ordinance No. 7-87, Ordinance No. 38-92, Ordinance No. 3-93, Ordinance No. 31-95, Ordinance No. 16-97, Ordinance No. 24-97 and Ordinance No. 36-99 of the City of Detroit to Provide for a Means of Determining if Certain Junior Lien Bonds Bear Interest at a Fixed Rate or a Variable Rate, Change the Reserve Account Requirement for Second Lien Bonds, Facilitate the Use of Debt Service Reserve Fund Surety Bonds by Amending Section 8, and to Amend and Restate Ordinance No. 27-86.

Whereas, the City Council (the Council) of the City of Detroit, Michigan, adopted Ordinance No. 27-86 (the Ordinance) on December 9, 1986, to provide for the financing and refinancing of capital improvements to the Sewage Disposal System by the issuance of Sewage Disposal System Revenue Bonds and Revenue Refunding Bonds and Junior Lien Bonds, and has extensively amended the Ordinance seven times since its adoption in 1986; and

Whereas, the Council has determined that it is in the best interest of the City to amend the Ordinance so as to provide a means of determining if certain Junior Lien Bonds bear interest at a fixed or variable rate and to change the Reserve Account Requirement for Second Lien Bonds, such amendment to take effect upon this amendatory ordinance becoming effective; and

Whereas, the Council has determined that it is in the best interest of the City to further amend the Ordinance and to restate the Ordinance so as provide for more efficient financings that reflect current capital market practices, eliminate obsolete provisions and integrate this amendment and all prior amendments into one ordinance, such amendment to take effect upon receiving consent of the requisite percent of holders of outstanding Bonds and Junior Lien Bonds; and

Whereas, Section 8 of the Ordinance (Section 8) provides for the use of surety bonds (Reserve Account Surety Bonds) to meet the City's obligations, from time to time, to fund Bond Reserve Accounts and Second Lien Bond Reserve Accounts; and

Whereas, Section 8 contains certain ambiguous and defective provisions regarding the payment obligations of the City in certain instances; and

Whereas, funding Reserve Accounts with Bond proceeds increases the aggregate principal amount of bonds issued to finance capital improvements to the System and can increase the cost of capital and thereby diminish limited capital resources to be directly used for System purposes; and

Whereas, the necessity of investing Reserve Accounts funded with Bond proceeds can result in market and credit volatility and can result in an insufficiency of funds if and when the Reserve Account is needed to provide debt service payments; and

Whereas, Reserve Account Surety Bonds can result in debt service savings and other economic efficiencies; and

Whereas, it is in the best interest of the City and Bondholders that the most efficient use be made of the ability to borrow under the Ordinance and otherwise use capital resources; and

Whereas, there can be a material adverse effect on the City and Bondholders if the ability to borrow and capital resources are not used efficiently; and

Whereas, the Council determines that it is in the best interests of the City and the Bondholders to amend Section 8 so as to assure the availability of Reserve Account Surety Bonds and that Bondholders may be materially adversely affected if Reserve Account Surety Bonds are not freely available in connection with financing the System; and

Whereas, in light of the foregoing, the Council further determines that amendments herein contained do not have a material adverse effect on the interests of Bondholders but rather enhance the ability of the City to obtain Reserve Account Surety Bonds.

The City of Detroit Ordains:

Part I

Section 1. Immediate Amendment of Ordinance No. 27-86.

(a) **Amendment.** Ordinance No. 27-86 as amended to the date hereof is hereby amended by adding three new sections thereto as "Section 1A," "Section 1B" and Section 8 to respectively read as follows:

Section 1A. Determination of Fixed Rate and Variable Rate Junior Lien Bonds.

(a) **Applicability.** This Section is applicable to all Junior Lien Bonds other than SRF Junior Lien Bonds (the "Subject Junior Lien Bonds").

(b) **Generally.** Notwithstanding any provision of this Ordinance to the contrary, this Section shall govern the following determinations:

(1) Whether a Subject Junior Lien Bond is a Variable Rate Junior Lien Bond (a "Variable Rate Security") or a Fixed Rate Junior Lien Bond (a "Fixed Rate Security") for all purposes of this Ordinance.

(2) How interest is to be calculated on such Variable Rate Securities and Fixed Rate Securities for the purpose of determining Maximum Annual Debt Service, and all definitions and determination of this Ordinance based on or derived from Maximum Annual Debt Service.

(c) Definitions of Fixed Rate Securities and Variable Rate Securities.

"Fixed Rate Security" means a Subject Junior Lien Bond that bears interest at a rate that has been fixed for at least a five-year period that includes all of the Fiscal Year for which a calculation of Annual Debt Service is made.

(1) If the Fiscal Year for which a calculation of Annual Debt Service is made includes only a portion of such five year period, a Security is also a "Fixed Rate Security" but only for such portion.

(2) A rate is fixed for purposes of determining whether a Security is a "Fixed Rate Security" if the economic effect of a Security bearing interest at a fixed rate is produced by a Qualified Hedge or by Counterpart Securities.

(3) A rate is not fixed for purposes of determining whether a Security is a "Fixed Rate Security" if the economic effect of a Security bearing interest at a variable rate is produced by a Qualified Hedge.

"Variable Rate Security" means a Subject Junior Lien Bond that is not a Fixed Rate Security.

(d) ***Interest Calculations – Variable Rate Securities.***

(1) If a Variable Rate Security has been Outstanding for less than a full Fiscal Year on the date of calculation, then the interest rate on such Variable Rate Security shall be calculated as 125% of the average of the Bond Market Association (BMA) Municipal Index for the five-year period ending not more than one week before the date of such calculation.

(2) If Variable Rate Securities have been Outstanding for one or more full Fiscal Years on the date of calculation, then the interest rate on such Variable Rate Securities shall be calculated as 125% of the annualized average daily rate borne by such Variable Rate Securities for the 12 calendar month period ending immediately before the month of calculation.

(e) ***Interest Calculations – Fixed Rate Securities Convertible to Variable Rate Securities.***

If Subject Junior Lien Bonds are issued as Fixed Rate Securities but are intended to convert by their terms to Variable Rate Securities during a future Fiscal Year and a calculation is made for such future Fiscal Year or any Fiscal Year thereafter, then the Fiscal Year of conversion shall be the first Fiscal Year that such Securities are Outstanding for the purposes of calculating interest at a variable rate.

(f) ***Other Definitions.***

"BMA Municipal Index" means the index based upon the weekly interest rates of tax-exempt variable rate issues included in a database maintained by Municipal Market Data, Boston, Massachusetts, a Thompson Financial Services Company (or its successor), which meet specific criteria established by The Bond Market Association.

"Bond Insurance" means any policy of insurance, contract of suretyship, guaranty or other agreement intended to protect Holders of particular Securities from loss arising from a failure of the City to timely pay principal (and premium, if any) of and interest on such Securities and pursuant to which the provider thereof is repaid solely as subrogee without creating any additional payment obligations (other than the payment of a premium or annual fee).

"Counterpart Securities" means Securities that bear interest at rates which vary inversely to each other and that were issued contemporaneously with each other in order to produce a single fixed rate. In order to constitute "Counterpart Securities", both counterparts must be Outstanding at the same time.

"Credit Enhancement" means any Credit Facility and any Bond Insurance.

"Credit Facility" means any letter of credit, line of credit, purchase agreement, or other financial arrangement intended to protect Holders of particular Securities from loss arising from a failure of the City to timely pay principal of and interest on such Securities other than Bond Insurance.

"Hedge" means any agreement by which the City is authorized or permitted by law to manage its debt service, either in connection with the issuance of Securities or in connection with its then Outstanding Securities, including, but not limited to, interest rate exchanges or swaps, hedges and similar agreements.

"Qualified Hedge" means a Hedge with a counterparty that is rated directly or indirectly by a Rating Agency in a rating category at least equal to the category in which the subject Securities are rated without benefit of Credit Enhancement and without reference to qualifications such as "plus" or "minus". If the subject Securities are not rated without the benefit of Credit Enhancement, then the rating category of such Securities shall be the rating category with the benefit of Credit Enhancement.

"Securities" means any Subject Junior Lien Bonds.

Section 1B. Second Lien Bond Reserve Requirement.

Notwithstanding any provision of this Ordinance to the contrary, whenever this Ordinance provides for a determination of Maximum Annual Debt Service for purposes of determining the Second Lien Bond Reserve Requirement, a determination of average Annual Debt Service as of the date of issuance shall be made instead, and such determination shall be sufficient for all purposes of this Ordinance with respect to the Second Lien Bond Reserve Requirement as it relates to Maximum Annual Debt Service.

Section 8. Municipal Bond Insurance or other Credit Enhancement.

The Finance Director may obtain municipal bond insurance or other credit enhancement in respect of all or part of the Series 1986 Bonds or any Additional Bonds which, if obtained, shall be provided for in the resolution authorizing the sale of the Series 1986 Bonds or any Additional Bonds. Such municipal bond insurance or other credit enhancement may only insure or secure certain Bonds and may or may not insure or secure any other series of Bonds or any part thereof. Such municipal bond insurer or other credit enhancement provider may be afforded certain rights and remedies to direct the proceedings with respect to the enforcement of payment of the Bonds as shall be provided in the resolution authorizing the sale of the Series 1986 Bonds or Additional Bonds.

The City may at any time fulfill its obligation to fund all or a portion of the Bond Reserve Account by acquiring for the benefit of the Bond Reserve Account an irrevocable surety bond payable on any interest or interest and principal payment date in an amount which, when added to any other funds in the Bond Reserve Account, equals the Bond Reserve Requirement. Before any such surety bond is substituted for moneys or applied in lieu of moneys within the Bond Reserve Account, there shall be filed with the Commissioners (i) an opinion of nationally recognized bond counsel to the effect that such substitution will not adversely affect the tax-exempt status of interest on any Bonds; (ii) evidence that such surety bond is provided

by an insurance company rated by each Rating Agency then rating the Bonds to the effect that if the issuers of the surety bond were insuring payment of principal and interest of the Bonds to which the Bond Reserve Account relates, such Bonds would receive the highest rating available from each such Rating Agency; (iii) a copy of the surety bond; and (iv) an opinion of counsel satisfactory to such nationally recognized bond counsel to the effect that the surety bond is valid and enforceable in accordance with its terms. Each such surety bond shall be unconditional and irrevocable and shall provide debt service reserve security for the Bonds with respect to which the surety bond is purchased and, if the surety bond is purchased with respect to more than one issue of Bonds, then for the term of all the then outstanding Bonds for which such surety bond is purchased. Any agreement of the City with or for the benefit of the issuer of any such surety bond may provide that the City will be obligated to repay such issuer on amount equal to any draw-down on the surety bond plus the issuer's expenses and interest, but not in excess of the maximum rate permitted by law (collectively, "Policy Costs"), from Net Revenues subordinated only to debt service payments on the Bonds.

The City reserves the right, if it deems it necessary in order to acquire such a surety bond, to amend this Ordinance without the consent of any of the Bondholders in the following respects:

- (ii) to provide that Policy Costs shall be secured by a lien on Net Revenues equal in priority to the statutory lien securing Bonds but subordinate to such statutory lien as between Bonds and Policy Costs; and
- (iii) to grant to the issuer of such surety bond such additional rights as it may request, provided that such amendment shall not, in the written opinion of nationally recognized bond counsel filed with the Commissioners, materially impair or reduce the security or rights hereby granted to the owners of the 517-E Bonds or the Bonds or any of them.

(b) Inconsistent Amendments.

The amendments contained in this Part I shall prevail to the extent of any inconsistency between these amendments and the amendments identified in Ordinance 36-99 as the "Bondholder Approval Amendments" upon the Bondholder Approval Amendments becoming effective by obtaining the requisite consent.

Part II

Except as otherwise provided by Supplemental Action, a Transfer Agent shall not be required (i) to issue, register the transfer of or exchange Securities for which it is the Transfer Agent during a period beginning at the opening of business 15 days before the day of the giving of a notice of redemption or mandatory tender of such Securities selected for redemption or mandatory tender and ending at the close of business on the day of giving of that notice, or (ii) to register the transfer of or exchange of any such Security so selected for redemption or tender in whole or in part, except the unredeemed or untendered portion of such Security being redeemed or tendered in part.

(h) Mutilated, Lost or Stolen Securities.

(1) If any Security is mutilated, the City, at the expense of the Holder of the Security, shall execute, and the Transfer Agent for such Security shall authenticate and deliver, a new Security of like tenor in exchange and substitution for the mutilated Security, upon surrender to such Transfer Agent of the mutilated Security.

(2) If any Security is lost, destroyed or stolen, evidence of ownership of the Security and of the loss, destruction or theft may be submitted to the Transfer Agent for such Security and, if this evidence is satisfactory to the City and the Transfer Agent, and, indemnity satisfactory to such Transfer Agent and the City shall be given, and if all requirements of any applicable law, including Act 354, Public Acts of Michigan, 1972, as amended, have been met, then, at the expense of the Holder requesting the substitute Security, the City shall execute, and such Transfer Agent

shall thereupon authenticate and deliver, a new Security of like tenor and bearing the statement required by Act 354, or any applicable law hereafter enacted, in lieu of and in substitution for the Security so lost, destroyed or stolen. If any such Security shall have matured or shall be about to mature, the Transfer Agent may pay the same without surrender thereof as authorized by Act 354 instead of issuing a substitute Security.

Section 4. Financial Facilities; Hedges.

(c) The Finance Director may, from time to time and at any time, obtain a Financial Facility in respect of all or some Securities if the Finance Director determines such to be in the best financial interests of the City.

(d) The Finance Director may at any time acquire Credit Enhancement to fulfill the City's obligation to fund any Reserve Account or substitute a Credit Enhancement for amounts in a Reserve Account. Before or concurrently with the acquisition of such Credit Enhancement, the Finance Director shall receive:

(1) an opinion of nationally recognized bond counsel to the effect that such substitution will not adversely affect the tax-exempt status of interest on any Securities;

(2) evidence that such Credit Enhancement is provided by a provider rated in the highest rating category of each Rating Agency then rating the Securities having the benefit of such Reserve Account;

(3) a copy of the Credit Enhancement; and

(4) an opinion of counsel satisfactory to said nationally recognized bond counsel to the effect that the Credit Enhancement is valid and enforceable in accordance with its terms.

(e) The Finance Director may, in accordance with law, from time to time enter into such Hedges as the Finance Director determines to be in the best financial interests of the City.

(f) The Finance Director may grant to the provider of any Financial Facility, or to any counterparty to any Hedge authorized by this Section, such rights as may be necessary or appropriate that are not inconsistent with this Ordinance.

Section 5. Security for Payment.

(a) The payment of Secured Obligations is secured by a statutory lien, which is hereby created, upon the whole of the Pledged Assets subject to the use and application thereof in accordance with this Ordinance.

(b) The lien securing Hedge Obligations is valid only to the extent permitted by law.

(c) Except for Bond Insurance, a statement of the Priority of an Ancillary Obligation shall be contained in the instrument evidencing or providing for such Ancillary Obligation.

(1) An Ancillary Obligation in respect of a particular Priority of Securities:

(i) may be secured at a lower Priority, but

(ii) may not be secured at a higher Priority.

(2) Ancillary Obligations are "related" to Securities of the same Priority for purposes of determining priority of security and payment even though such Ancillary Obligations may have been entered into in respect of a higher Priority of Securities.

(d) The lien securing the payment of a Secured Obligation is subject to the following Priorities:

(1) The lien securing Senior Obligations shall be a first lien, senior to all other liens created hereunder except the lien securing Ancillary Obligations Fees and Expenses.

(2) The lien securing Junior Obligations shall be junior only to the lien securing Senior Obligations whenever issued. Among Junior Obligations:

(i) the lien securing Second Lien Bonds and related Ancillary Obligations shall be senior to the liens securing all other Junior Obligations;

(ii) the lien of each other Priority of Junior Obligations shall be senior to the lien of all lower Priorities of Junior Obligations; and

(iii) the SRF Junior Lien Bonds shall be the lowest Priority of Junior Lien Bonds, and the lien securing SRF Junior Lien Bonds and related Ancillary Secured Obligations shall be junior to the liens securing all other Junior Obligations, whenever issued.

(e) Each lien securing a Secured Obligation shall continue until either payment in full of such Secured Obligation or, in the case of Securities, is defeased as provided in this Ordinance.

Section 6. Payment of Secured Obligation; Subordination.

(a) *Generally.* Secured Obligations are not general obligations of the City and shall be payable solely from Pledged Assets as provided in this Section:

(1) Ancillary Obligation Fees and Expenses are payable from Revenues and, to the extent of any insufficiency, Pledged Assets.

(2) All Securities and Ancillary Obligations are payable from Pledged Assets.

(b) Subordination.

(1) Whenever any principal (and premium, if any) of and interest on Securities of a Priority or any payment on the Ancillary Obligations related to such Securities (any of the foregoing a "Payment") is due and is not made when due, then until such Payment is made or provision made for the payment thereof to the satisfaction of the Holders of such Securities and the obligees of such Ancillary Obligations, no Payment shall be made directly or indirectly on or in respect of any Securities of lower Priority or any Ancillary Obligations related to such Securities of lower Priorities (such Securities and Ancillary Obligations collectively, the

"Subordinated Obligations" and the Holders and obligees thereof, the "Subordinated Obligees"), except as provided below with respect to defeased Securities.

(2) Subject to the payment in full of all Securities and Ancillary Obligations of every higher Priority (collectively, the "Superior Obligations" and the Holders and obligees thereof, the "Superior Obligees"), the Subordinated Obligees shall be subrogated to the rights of the Superior Obligees to receive payment in full of the respective Obligations until all amounts owing on the Subordinated Obligations shall be paid in full, and as between the City and its creditors, other than Superior Obligees and Subordinated Obligees, no payment made on Superior Obligations which would otherwise have been made to Subordinated Obligees shall be deemed to be a payment by the City on account of Superior Obligations, it being understood that the Priorities are solely for the purpose of defining the relative rights of Superior Obligees on the one hand and the Subordinated Obligees on the other hand.

(3) Except as otherwise provided in a Supplemental Action, the City may agree with the Holders of Securities of any Priority and the obligee of any related Ancillary Obligations to extend, renew, modify or amend the terms of such Securities or such related Ancillary Obligations or any security therefor, and any such Holders or obligees may release, sell, exchange such security and otherwise deal freely with the City, and the City with any of them, all without notice to or consent of the Holders of any Securities of any lower Priority or the obligees under any related Ancillary Obligations without affecting the liabilities of the City to such Holders or obligees.

(4) Nothing in this subsection shall impair the right of the Holders of any defeased Securities to be paid from the escrow effecting such defeasance.

(c) *Financial Facilities.* Except as otherwise provided in a Supplemental Action:

(1) Nothing in this Section shall affect the payment of Securities from any Financial Facility obtained for the benefit of such Securities.

(2) No payment of an amount made by a drawing or disbursement under a Financial Facility to Holders of Securities which would otherwise have been made by the City shall be deemed to be a payment by the City on account of such Securities for the purpose of discharging the City's obligation on such Securities.

Section 7. Securityholders' Rights; Receiver.

(a) The Holder or Holders of the Securities representing in the aggregate not less than 20% of the entire principal amount thereof then Outstanding, may, by suit, action, mandamus or other proceedings, protect and enforce the statutory lien upon Pledged Assets, and may, by suit, action, mandamus or other proceedings, enforce and compel performance of all duties of the officers of the City, including the fixing of sufficient rates, the collection of Revenues, the proper segregation of the Revenues of the System and the proper application thereof. The statutory lien upon Pledged Assets, however, shall not be construed to compel the sale of the System or any part thereof.

(b) If there is a default in the payment of the principal (and premium, if any) of and interest on any Securities, any court having jurisdiction in any proper action may appoint a receiver to administer and operate the System on behalf of the City and, under the direction of the court, perform all of the duties of the officers of the City more particularly set forth herein and in Act 94.

(c) The Holder or Holders of the Securities shall have all other rights and remedies given by Act 94 and by law for the payment and enforcement of the Securities and the security therefor.

Section 8. Management.

The operation, repair and management of the System, including all projects financed by the issuance of Securities, shall remain under the supervision and control of the Commissioners in the manner provided in Article 7, Chapter 15 of the Charter of the City subject to the rights, powers and duties in respect thereto which are reserved by law and the City Charter to the Council.

Section 9. Fixing and Revising Rates; Rate Covenants.

(a) The coverage requirements for determining the Required Combined Coverage under this Section are the following percentages:

<u>Priority of Indebtedness</u>	<u>Percentage</u>
Senior Lien Indebtedness.....	120
Second Lien Indebtedness.....	110
SRF Junior Lien Bonds.....	100

Prior to or concurrently with the issuance of a Priority of Securities not enumerated above, this subsection shall be amended to provide for the coverage percentage for Indebtedness in respect of such Priority of Securities, but in no case shall the coverage percentage be less than 100. Such amendment shall not require the consent of Holders of any Securities.

(b) The rates for sewage disposal service and the regulations shall be the rates and regulations required to be established by Act 94. Such rates shall be fixed and revised from time to time as may be expected to be necessary to produce the greater of:

(1) the amounts required:

- (i) to provide for the payment of the expenses for maintenance of the System as are necessary to preserve the same in good repair and working order; and
- (ii) to provide for the payment of Indebtedness coming due for the Fiscal Year of calculation; and
- (iii) to provide for the creation and maintenance of reserves therefor as required by the Ordinance or any ordinance or resolution adopted in accordance with the terms thereof and hereof; and
- (iv) to provide for such other expenditures and funds for the System as this Ordinance may require; and

(2) The Required Combined Coverage where the Inflows are the Net Revenues projected for the Fiscal Year of calculation and the Outflows are the Indebtedness coming for such Fiscal Year.

(c) The City hereby covenants and agrees at all times to fix and maintain such rates for services furnished by the System as shall be sufficient to provide for the foregoing and to repay any borrowing from the Extraordinary Repair and Replacement Reserve Fund.

(d) Without taking into account any transfers from the Rate Stabilization Fund, the City shall at all times observe and comply with the covenant contained in subsection (b)(2) above as if the Rate Coverage Percentage were 100.

(e) The charges for sewage disposal service which are under the provisions of Section 21 of Act 94, Public Acts of Michigan, 1933, as amended, are made a lien on all premises served thereby, unless notice is given that a tenant is responsible, are hereby recognized to constitute such lien and whenever any such charge against any piece of property shall be delinquent for six months, the City official or officials in charge of the collection thereof may certify to the tax assessing officer of the City not later than April 1 of each year the fact of such delinquency, whereupon such charge shall be entered upon the next tax roll as a charge against such premises and the lien thereon enforced in the same manner as general City taxes against such premises are collected and the lien thereon enforced; provided, however, where notice is given that a tenant is responsible for such charges and service as provided by said Section 21, no further service shall be rendered to such premises until a cash deposit equal to the estimated amount of the next ensuing bill shall have been made as security for payment of such charges and services.

(f) In addition to other remedies provided, the City shall have the right to shut off and discontinue the supply of water to any premises for the nonpayment of sewage disposal rates when due.

Section 10. No Free Service or Use; Metered Service.

No free service or use of the System, or service or use of the System at less than cost, shall be furnished by the System to any person, firm or corporation, public or private, or to any public agency or instrumentality, including the City and any other municipality. All service provided to customers of the System, with the exception of temporary connections and certain public service uses of the City which are billed on an estimated basis, shall be metered.

Section 11. Operating and Fiscal Year.

The System shall be operated on the basis of the Fiscal Year.

Section 12. Funds and Accounts; Flow of Funds.

A. Establishment of Funds and Accounts.

(a) The following funds and accounts are hereby established:

- Sewage Disposal System Receiving Fund (the "Receiving Fund")
- Operation and Maintenance Fund
- Senior Lien Bond Interest and Redemption Fund
 - Senior Lien Debt Service Account
 - Senior Lien Bond Reserve Account
- Second Lien Bond Interest and Redemption Fund
 - Second Lien Debt Service Account
 - Second Lien Bond Reserve Account
- Such Interest and Redemption Funds as are established by Supplemental Action for other Priorities of Junior Lien Bonds
- SRF Junior Lien Bond Interest and Redemption Fund
 - SRF Junior Lien Debt Service Account

- No SRF Junior Lien Bond Reserve Account is established
- Extraordinary Repair and Replacement Reserve Fund
- Improvement and Extension Fund
- Surplus Fund

(b) Additional funds may be established for other Priorities of Securities by Supplemental Action of the Finance Director.

B. Flow of Funds.

All Revenues shall be set aside as collected and credited to the Receiving Fund. As of the first day of each month, amounts credited to the Receiving Fund shall be transferred seriatim into the following funds and accounts but only within the respective limitations and only if the maximum amount within such limitation has been credited to the preceding fund or account:

First: to the Operation and Maintenance Fund, a sum sufficient to provide for the payment of the next month's expenses of administration and operation of the System (including Ancillary Obligation Fees and Expenses) and such current expenses for the maintenance thereof as may be necessary to preserve the same in good repair and working order;

Second: to the Senior Lien Bond Debt Service Account, an amount that, when added to all other amounts then on deposit therein, shall equal the Debt Service Installment Requirement for Senior Lien Obligations as of the first day of such month;

Third: to the Senior Lien Bond Reserve Account, an amount that when added to all other amounts then on deposit therein shall equal the Reserve Requirement for Senior Lien Bonds;

Fourth: to the Interest and Redemption Fund established for each Priority of Junior Lien Bonds, beginning with the Second Lien Bonds and continuing in descending order of Priority to, and including, the SRF Junior Lien Bonds:

First: to the Debt Service Account established for such Priority, an amount that, when added to all other amounts then on deposit therein, shall equal the Debt Service Installment Requirement for Junior Obligations of such Priority as of the first day of such month;

Second: to the Reserve Account, if any, established for such Priority an amount that when added to all other amounts then on deposit therein shall equal the Reserve Requirement for such Priority of Junior Lien Bonds;

Fifth: to the Extraordinary Repair and Replacement Reserve Fund, the amount of the Extraordinary Repair and Replacement Minimum Requirement so long as the balance thereof is less than the Extraordinary Repair and Replacement Maximum Requirement except that an amount withdrawn from such Fund pursuant to Section 13D shall be deducted from the Extraordinary Repair and Replacement Maximum Requirement in the Fiscal Year of withdrawal; and

Sixth: to the Improvement and Extension Fund, such amount, if any, that the Commissioners may deem advisable; provided that no amount shall be deposited therein or credited thereto for so long as a borrowing from the Extraordinary Repair and Replacement Reserve Fund remains unpaid.

Section 13. Use and Application of Amounts in Funds.

A. Receiving Fund.

(a) Amounts in the Receiving Fund shall be monthly applied as provided in Section 12.

(b) Amounts remaining in the Receiving Fund as of the last day of each Fiscal Year shall be credited to the Surplus Fund.

B. Operation and Maintenance Fund.

Amount in the Operation and Maintenance Fund shall be used to pay the expenses of administration and operation of the System (including Ancillary Obligation Fees and Expenses and any rebates to the United States government that may be required by the Code) and such current expenses for the maintenance thereof as may be necessary to preserve the same in good repair and working order.

C. Interest and Redemption Funds.

(a) *Generally.* Amounts in the Interest and Redemption Fund established for a Priority of Securities and Ancillary Obligations shall be applied to pay principal (and redemption premium, if any) of and interest on such Priority of Securities and amounts due on such Priority of Ancillary Obligations.

(b) Mandatory Redemption Requirements.

(1) A Mandatory Redemption Requirement for a maturity of Term Securities may be satisfied in whole or in part by the redemption of Term Securities of such maturity or by the purchase and surrender to the Transfer Agent of such Term Securities from amounts credited to the Interest and Redemption Fund established for such Priority of Securities or purchased with other funds legally available therefor. The Finance Director shall elect the manner in which he/she intends to satisfy all or a portion of a Mandatory Redemption Requirement for particular Term Securities not less than 40 days prior to the due date of such Mandatory Redemption Requirement unless otherwise provided in the Supplemental Action providing for the issuance of such Term Securities.

(2) Unless otherwise provided in a Supplemental Action providing for the issuance of Term Securities, the City will receive a credit against the Mandatory Redemption Requirement for Term Securities for which such Mandatory Redemption Requirement was established that have been redeemed (other than by application of Mandatory Redemption Requirements) or otherwise acquired by the City prior to the giving of the notice of redemption and that have not been applied as a credit against any other Mandatory Redemption Requirements.

(i) Not less than 40 days prior to any mandatory redemption date for Term Securities, the Finance Director shall give notice to the Transfer Agent that such Term Securities are to be so credited.

(ii) Each such Term Security shall be credited by the Transfer Agent at 100% of the principal amount thereof against the Mandatory Redemption Requirement, and the principal amount of Term Securities to be redeemed on such mandatory redemption date shall be reduced accordingly and any excess over such amount shall be credited to future Mandatory Redemption Requirements in such order as the Finance Director shall direct; provided, however, that any excess resulting from the purchase, at less than par, of such Term Securities shall be credited to the Receiving Fund.

(c) Reserve Accounts.

(1) Except as otherwise provided herein, amounts in a Reserve Account shall be used solely for the payment of the principal (and premium, if any) of and interest on Securities and Ancillary Obligations of the Priority for which such Reserve Account was established, as to which there would otherwise be default.

(2) If at any time the amount on deposit in or credited to a Reserve Account exceeds the Reserve Requirement for such Reserve Account, the amount of such excess may be transferred therefrom and credited to the Receiving Fund.

(3) No further payments need be made into an Interest and Redemption Fund in respect of principal and interest after enough of the Securities for which such Fund was established have been retired so that the amount then held in such Fund, including the Reserve Account therein, if any, is equal to the entire amount of principal and interest which will be payable at the time of maturity of all the then Outstanding Securities of such Priority.

(4) A separate Reserve Account may be established for an issue of Securities by the Supplemental Action providing for the issuance of such Securities.

(i) Securities having the benefit of such Reserve Account may be issued but only if such separate Reserve Account is fully equal to the Reserve Requirement for such Securities concurrently with the issuance of such Securities.

(ii) The amounts to be paid into any separate Reserve Account to restore it to its Reserve Requirement shall be made on a parity with payments into all other Reserve Accounts established for the same Priority of Securities and shall not exceed, in any Fiscal Year, its proportionate deficit payment. "Proportionate Deficit Payment" means for a separate Reserve Account the same proportion that the amount available to remedy deficits in each Reserve Account for such Priority bears to the aggregate deficit in all Reserve Accounts for such Priority.

D. Extraordinary Repair and Replacement Reserve Fund.

(a) Amounts may be used to pay the costs of making major unanticipated repairs and replacements to the System which individually have cost or are reasonably expected to cost in excess of \$1,000,000 as determined by the Commissioners.

(b) On and after the first day of each Fiscal Year, the Finance Director may, by Supplemental Action, transfer to the Improvement and Extension Fund not more than 50% in aggregate of the balance in this Fund on the first day of such Fiscal Year if, but only if (i) in the month of such transfer the full amount of the Extraordinary Repair and Replacement Minimum Requirement for each prior month in the current Fiscal Year has been credited to this Fund and (ii) the amounts of all prior transfers from this Fund to the Improvement and Extension Fund have been restored in full.

E. Improvement and Extension Fund.

The Improvement and Extension Fund shall be used for improvements, enlargements, extensions or betterment to the System.

F. Surplus Fund.

Amounts from time to time on hand in the Surplus Fund may, at the option of the Commissioners, be used and applied for any purposes related to the System; provided, however, that if and whenever there should be any deficit in the Operation and Maintenance Fund or in any Interest and Redemption Fund (including any Reserve Account therein) then transfers shall be made from the Surplus Fund to such funds in the priority and order named in Section 12 to the extent of any such deficit.

Section 14. Construction Fund.

(a) There shall be established and maintained a separate depository fund designated the Construction Fund. The City may designate separate accounts in the Construction Fund for different series of Securities for administrative purposes and to better enable the City to comply with its tax covenants in Supplemental Actions or resolutions regarding the exclusion from federal income taxation of interest on Securities.

(b) Amounts in the Construction Fund shall be applied solely in payment of the cost of repairs, extensions, enlargements, and improvements to the System ("construction costs") and any costs of engineering, legal, bond insurance premiums, if any, and other expenses incident thereto, to the financing thereof.

(1) Payments of construction costs, either on account or otherwise, shall not be made unless the registered engineer in charge of such work shall file with the Commissioners a signed statement to the effect that the work has been completed in accordance with the plans and specifications therefor; that it was done pursuant to and in accordance with the contract therefor; that such work is satisfactory; and that such work has not been previously paid for.

(2) Payment of the cost of engineering, legal, financial, bond insurance premium, etc., as provided in this section shall be made upon submission of appropriate documentation to the Finance Director.

(c) Any unexpended balance remaining in the Construction Fund may in the discretion of the Commissioners be used for meeting any Reserve Requirement or for further improvements, enlargements and extensions to the System if, at the time of such expenditure, such use is approved by the Michigan Department of Treasury Municipal Finance Division, if such permission is then required by law. Any remaining balance after such expenditure shall be paid into the Interest and Redemption Fund established for the Priority of Securities giving rise to such balance for the purpose of purchasing Securities of such Priority at not more than the fair market value thereof but not more than the price at which such Securities may next be called for redemption or used for the purpose of calling such Securities for redemption. The City may provide additional

or different lawful uses for such unexpended balance or remaining balance by Supplemental Action of the Finance Director which shall, nonetheless, be subject to the City's relevant tax covenants.

Section 15. Rate Stabilization Fund.

(a) As used in this Section, "Prior Revenue" means any amounts that constitute Revenues or Net Revenues and held under this Ordinance but only to the extent that such amounts may be applied to any lawful purpose of the System. "Prior Revenue" does not include any amounts held under this Ordinance that at the time are restricted in application to a specific purpose, such as, by way of illustration, the application of amounts in the Surplus Fund in the event of a deficit as provided in the proviso to Section 13(F).

(b) The Commissioners may create a fund designated Sewage Disposal System Rate Stabilization Fund (the "Rate Stabilization Fund"). No amounts shall be deposited therein or credited thereto except Prior Revenues and then only if:

(1) such Prior Revenue is credited to the Rate Stabilization Fund in the Fiscal Year in which it was recognized by the City as Net Revenue or within 90 days after the end of such Fiscal Year;

(2) the amount of such Prior Revenue is deducted from the amount of Net Revenue recognized in such Fiscal Year for all purposes of this Ordinance; and

(3) the amount of Net Revenue recognized in such Fiscal Year at least meets the minimum applicable coverage requirements of this Ordinance for such Fiscal Year after (i) such deduction and (ii) all prior deductions in respect of such Fiscal Year pursuant to this clause.

(c) Amounts on deposit in the Rate Stabilization Fund may be taken into account for purposes of fixing and revising rates and rate covenants with respect to Securities (any such purpose, a "Coverage Determination").

(d) Whenever any amount on deposit in the Rate Stabilization Fund is taken into account for any Coverage Determination (a "Reserved Amount"), then such Reserved Amount shall be credited to the Receiving Fund for the Fiscal Year for which such Coverage Determination is made.

(e) Prior to the transfer of any Reserved Amount to the Receiving Fund, such Reserved Amount shall not be used or applied to any purpose except pursuant to Section 17 and then only after all other amounts then in the Rate Stabilization Fund have been applied pursuant to Section 17.

(f) Amounts on deposit in the Rate Stabilization Fund other than Reserved Amounts may be applied to any lawful purpose of the System.

Section 16. Depositories.

(g) Amounts in the several funds, accounts and subaccounts established pursuant to this Ordinance shall be kept in one or more accounts separate and apart from all other accounts of the City, and if kept in only one account shall be allocated on the books and records of the City in the manner and at the times provided in this Ordinance.

(h) Amounts in the Interest and Redemption Fund for a Priority of Securities shall be kept on deposit with one of the banks or trust companies where the principal of and interest on such Priority of Securities are payable.

(i) The depositary of all funds and accounts, except as otherwise specifically provided for herein, shall be those banks or trust companies designated from time to time as such by the Finance Director.

Section 17. Priority of Funds.

(a) If amounts in the Receiving Fund are insufficient to provide for the current requirements of the Operation and Maintenance Fund and each Interest and Redemption Fund (including the Reserve Account, if any, therein), then any amounts or securities held in the Surplus Fund, the Improvement and Extension Fund and the Extraordinary Repair and Replacement Reserve Fund shall be credited or transferred, first, to the Operation and Maintenance Fund and second, to the particular Interest and Redemption Fund, to the extent of the insufficiency therein from the aforesaid funds in the order listed.

(b) If any principal (and redemption premium, if any) of or interest on Securities of a Priority or any related Ancillary Obligations become due (whether on a stated or scheduled date, by reason of call for redemption or otherwise), and there are insufficient amounts for the payment thereof in the Interest and Redemption Fund established for such Priority of Securities and Ancillary Obligations after applying payments in the Reserve Account, if any, established for such Priority of Securities, then there shall be applied to such payment amounts in each Interest and Redemption Account established for each lower Priority of Securities, beginning with the lowest Priority and proceeding seriatim in ascending order of Priority, until such payments are made in full.

Section 18. Investments.

(a) **Permitted Investments.** The Permitted Investments for amounts held under this Ordinance are the Legal Investments for such amounts subject to the following:

(1) Investment of amounts in any Reserve Account shall be limited to obligations bearing maturity dates or subject to redemption, at the option of the Holder thereof, not later than ten years from the date of the investment.

(2) Except as otherwise herein provided, investments shall mature at such times as it is estimated the funds therefrom will be required, but shall be limited to obligations bearing maturity dates or subject to redemption, at the option of the Holder thereof, not later than five years from the date of investments.

(3) A Supplemental Action may provide for limitations in addition to or in lieu of the above limitations on Legal Investments or may eliminate any of such limitations.

(4) Notwithstanding paragraph (3), no Permitted Investments for the defeasance of particular Securities may be changed without confirmation from each Rating Agency that such change will not reduce the rating of such Securities.

(b) **Where Held.** To the extent required by Act 94, securities representing investments made under this Ordinance shall be kept on deposit with the bank or trust company having on deposit the fund or funds or accounts from which the purchase was made.

(c) Disposition of Profit and Gain.

(1) Profit realized or interest income earned on investment of amounts in the Receiving Fund, Operation and Maintenance Fund, any Interest and Redemption Fund (including the Reserve Account, if any, therein), the Extraordinary Repair and

Replacement Reserve Fund, and Improvement and Extension Fund shall be credited to the Receiving Fund.

(2) Profit realized or interest earned on investments of funds in the Construction Fund relating to any series of Securities and any Redemption Account (including any Reserve Account or Subaccount established for any Securities) shall be credited as received to the funds from which such investments were made; provided, however, that profit realized or interest earned on the Construction Fund relating to any series of Securities may, if permitted by law, be credited to the Receiving Fund at the option of the Commissioners.

(d) *Valuation.*

(1) Investments credited to any Reserve Account shall be valued at least annually on each January 1, unless otherwise specified in the Supplemental Action providing for the issuance of such Securities, at the market value thereof, and the City shall withdraw any excess immediately and, in the event of a deficit, budget such additional deposits at the beginning of the next succeeding Fiscal Year in an amount necessary to maintain each Reserve Account at its Reserve Requirement.

(2) Investments in the Extraordinary Repair and Replacement Reserve Fund shall be valued at least annually on each July 1 at the cost thereof.

Section 19. Covenants.

The City covenants and represents with the Holders of all Securities from time to time Outstanding as follows.

(a) *Ownership and Authority.* The City is the lawful owner of the System; the System is free from any and all liens and encumbrances; and the City has good right and lawful authority to encumber and pledge the Pledged Assets as herein encumbered and pledged.

(b) *Maintenance and Operation of System.*

(1) The City will, through its Commissioners, or such successor board or body as may hereafter be legally charged with the duty of the operation of the System, maintain the System in good repair and working order.

(2) The City will from time to time make all needful and proper repairs, replacements, additions, and betterments to the System so that the System may at all times be operated properly and advantageously, and whenever any portion of the System shall have been worn out, destroyed or become obsolete, inefficient or otherwise unfit for use, the City will procure and install substitutes of at least equal utility and efficiency so that the value and efficiency of the System shall at all times be fully maintained.

(c) *Books and Records.* The City will maintain and keep proper books of record and account separate from all other records and accounts in which shall be made full and correct entries of all transactions relating to the System, and the City will also cause an annual audit of such books and records for the preceding Fiscal Year. The City will make such audit available to the Holder of any Security upon request.

(d) *Disposition of System.* The City will not sell, lease or dispose of the System or any substantial part thereof until all Outstanding Securities have been paid in full as to both principal and interest.

(1) This covenant shall not be construed to prohibit the disposition or lease of any property comprising part of the System which is no longer necessary, appropriate, required for the use of, or profitable to the System, or which is no longer necessary to the proper operation and maintenance thereof, or which may be sold and leased back to the extent such arrangement is permitted by law.

(2) Paragraph (1) shall not be construed to authorize or permit the sale, lease or disposition of any substantial part of the System.

(3) The City may at all times in its discretion alter, repair or replace any buildings or structures or any part of the System and appurtenances thereto as the Commissioners determine necessary for the System.

(e) *No Competition.* The City will not, and will not to the extent permitted by law, permit others to, operate a sewage disposal system that will compete with the System.

(f) *Tax Exemption of Securities.* The City will take all action and refrain from any action as is necessary, including paying any rebates to the United States government that may be required by the Code so as not to impair the tax exemption of the interest on Securities issued as tax-exempt Securities from general federal and State of Michigan income taxation.

Section 20. Trustee.

(a) The City shall at all times maintain a Trustee in order to further assure prompt compliance with all of the requirements, duties and obligations of the City with respect to the System and the Securities and to perform such other duties as may be provided in a Supplemental Action; provided that no such additional duties shall be imposed on an existing Trustee without its consent.

(b) All fees, costs, and expenses of any legal proceedings that may be brought by the Trustee to enforce the duties and obligations of the City hereunder or under any Securities and any amounts advanced by Securityholders to the Trustee for such costs and expenses shall be paid by the City to the Trustee or such Securityholders, or both, as the case may be, in the first instance from the Net Revenues remaining, in the month of payment, after making the transfers and deposits required by Section 12 to all Interest and Redemption Funds (including the Reserve Account, if any, therein), and, to the extent that sufficient amounts are not available from the Revenues therefor, from general funds of the City.

(c) In the event that general funds of the City are used to pay any such costs and expense, the City shall be reimbursed therefor with interest at the rate of 7% per annum from the first Net Revenues remaining, in the month of reimbursement, after (i) making the transfers and deposits required by Section 12 to all Interest and Redemption Funds (including the Reserve Account, if any, therein) and (ii) paying the Trustee or Securityholders as provided in subsection (b).

(d) The Trustee is authorized to act in reliance upon the sufficiencies, correctness, genuineness or validity of any instrument or document or other writing submitted to it hereunder and shall have no liability with respect to said matters. The Trustee shall not be liable for any error in judgment or any act done or omitted by it in good faith. In the event of any dispute or question arising hereunder the Trustee shall not be liable if it acts or takes no action in accordance with the opinion of its legal counsel.

(e) In the event the required percentage of Securityholders shall direct the Trustee in writing to exercise one or more of the remedies specified in this Ordinance or in Act 94, the Trustee shall be under no obligation to proceed to enforce or compel the performance of the duties and obligations of the City under this Ordinance unless and until the Holders shall have reasonably indemnified the Trustee for all estimated costs and expenses in the exercise of said remedies, including necessary attorneys' fees.

Section 21. Additional Securities.

A. Limitations on Indebtedness.

The City shall not incur any obligations payable from Pledged Assets except for Secured Obligations, and no obligations of the City shall be secured by a lien on Pledged Assets except as provided in this Ordinance.

B. Issuance of Securities

(f) Limitations on Issuance.

(1) The City shall not issue any Securities except in accordance with Section 21. Ancillary Obligations and related Ancillary Obligation Fees and Expenses may be incurred in respect of such Securities and shall be secured and payable as elsewhere provided in this Ordinance.

(2) Other limitations on the issuance of Securities may be added by Supplemental Action of the Finance Director.

(g) Coverage Requirements. The coverage requirements for determining the Required Combined Coverage under this Section are the following percentages:

<u>Priority of Securities</u>	<u>Percentage</u>
Senior Lien Bonds.....	120
Second Lien Bonds.....	110
SRF Junior Lien Bonds.....	100

Prior to or concurrently with the issuance of a Priority of Securities not enumerated above, this subsection shall be amended to provide for the coverage percentage for such Priority of Securities, but in no case shall such coverage percentage be less than 100. Such amendment shall not require the consent of Holders of any Securities.

(h) Refunding Securities. If any Additional Securities (any of such, the "Refunding Securities") are to be issued to refund Outstanding Securities (the "Securities to be Refunded"), the Annual Debt Service to be used for determining the Required Combined Coverage shall be the Annual Debt Service on the Refunding Securities and not the Annual Debt Service on the Securities to be Refunded.

C. "New Money" and Refunding.

(a) *General Authority.* The City may issue Securities of any Priority (herein, "Additional Securities") for repairs, extensions, enlargements, and improvements to the System (including repaying amounts withdrawn from the Extraordinary Repair and Replacement Reserve Fund), refunding all or a part of any Outstanding Securities and paying the costs of issuing such Additional Securities, including deposits, if any, to be made to any Reserve Account established or to be established for such Additional Securities or any other Securities, if, but only if, there is Required Combined Coverage under either the Projected Net Revenues

Test contained in subsection (b) or the Historical Net Revenues Test contained in subsection (c). The determination in a Supplemental Action that there will be Required Combined Coverage upon the issuance of such Additional Securities shall be conclusive.

(b) Projected Net Revenues Test. For purposes of determining the Required Coverage Requirement, the Inflows are the projected Net Revenues of the System for the then current or the next succeeding Fiscal Year and the Outflows are the maximum composite Annual Debt Service in any Fiscal Year on Outstanding Securities and the Additional Securities to be issued.

(1) Projected Net Revenues may include 100% of the estimated increase in Net Revenues to accrue as a result of the acquisition of the repairs, extensions, enlargements and improvements to the System to be paid for in whole or in part from the proceeds of the Additional Securities.

(2) In projecting Net Revenues, the City shall engage the services of and be guided by a consultant of national reputation for advising municipalities with respect to setting rates and charging for the use of sewage disposal systems.

(c) *Historical Net Revenues Test.* For purposes of determining the Required Coverage Requirement, the Inflows are the actual Net Revenues of the System for the immediately preceding audited Fiscal Year and the Outflows are the maximum composite Annual Debt Service in any future Fiscal Year on Outstanding Securities and the Additional Securities to be issued.

(1) Instead of the immediately preceding audited Fiscal Year, the City may use any audited Fiscal Year ending not more than sixteen months prior to the date of delivery of such Additional Securities.

(2) If any change in the rates, fees and charges of the System has been authorized at or prior to the date of sale of such Additional Securities, the Net Revenues for the particular preceding Fiscal Year shall be augmented by an amount reflecting the effect of such change had the System's billings during such Fiscal Year been at the increased rates.

(3) Net Revenues for the particular preceding audited Fiscal Year also may be augmented by 100% of the estimated increase in Net Revenues to accrue as a result of the acquisition of the repairs, extensions, enlargements and improvements to the System to be paid for in whole or in part from the proceeds of such Additional Securities and 100% of any acquisition, extension or connection which was made subsequent to the end of the particular preceding audited Fiscal Year.

(4) With respect to augmentation of Net Revenues, the City shall engage the services of and receive the certificate of a consultant of national reputation for advising municipalities with respect to setting rates and charges for the use of sewage disposal systems regarding the existence of such conditions.

(5) Audited financial statements may be relied upon if no augmentation of Net Revenues is required.

D. **Debt Service Reduction – An Additional Means of Refunding.**

The City may issue Securities of any Priority (herein, "Additional Securities") without regard to Section 21C for refunding all or part of Securities then Outstanding and paying costs of issuing the

Refunding Securities, including deposits which may be made to any Reserve Account established or to be established for such Additional Securities or any other Securities if, but only if:

(1) the combined Annual Debt Service coming due in the current Fiscal Year and each Fiscal Year thereafter until maturity on (A) the Additional Securities and (B) giving effect to the refunding, all Outstanding unrefunded Securities of equal and higher Priority is less than

(2) the combined Annual Debt Service coming due in the current Fiscal Year and each Fiscal Year thereafter until maturity on all equal and higher Priority Securities, without giving effect to the refunding.

Section 22. Defeasance.

(a) A Security is "defeased" for purposes of this Ordinance if:

(1) there has been deposited in trust sufficient cash and Permitted Investments, not callable by the issuer, the principal of and interest on which mature at the times and in the amounts, without the reinvestment thereof, necessary to pay principal of and interest on such Security to its maturity, or, if called for redemption, to the date fixed for redemption, together with the amount of the redemption premium, if any; and

(2) if such Security is to be redeemed prior to maturity, irrevocable instructions have been given to the Transfer Agent to call such Security for redemption.

(b) A Supplemental Action providing for the issuance of Securities may:

(1) provide different means of defeasing such Securities, and such means may be in addition to or in lieu of the means set forth in subsection (a);

(2) provide for the Legal Investments that are Permitted Investments for the defeasance of such Securities, but no such Permitted Investments may thereafter be changed except as provided in Section 18; and

(3) provide for the consequences of such Securities being defeased.

(c) Except as otherwise provided in a Supplemental Action:

(1) the Legal Investments for the defeasance of such Securities are the Permitted Investments therefor; and

(2) the statutory lien herein referred to in Section 4 shall be terminated with respect to defeased Securities, the Holders of such defeased Securities shall have no further rights under this Ordinance except for payment from the deposited funds and registration and replacement of such Securities, and such Securities shall no longer be considered to be Outstanding under this Ordinance.

Section 23. Amendments; Consent of Securityholders.

A. Amendment without Consent.

(a) This Ordinance may be amended or supplemented from time to time by Act of Council or Supplemental Action without consent of the Holders of Securities:

(1) To issue Securities of any Priority;

(2) To add to the covenants and agreements of the City in this Ordinance contained, other covenants and agreements thereafter to be observed or to surrender, restrict or limit any right or power reserved to or conferred upon the City (including but not limited to the right to issue Securities or incur other Secured Obligations of, in either case, any Priority);

(3) To make such provisions for the purpose of curing any ambiguity, or curing, correcting or supplementing any defective provisions contained in this Ordinance, or in regard to matters or questions arising under this Ordinance, as the City may deem necessary or desirable;

(4) To increase the size or scope of the System; and

(5) To amend or supplement this Ordinance in any respect with regard to one or more Priorities of Securities so long as such amendment does not materially adversely affect the Holders of Outstanding Securities.

(b) No Holders of a Priority of Securities shall be "materially adversely affected" for the purposes of this Ordinance by the change of any coverage percentage established for any other Priority of Securities, and no amendment of or supplement to this Ordinance that provides for or facilitates the issuance of Securities or incurs other Secured Obligations of, in either case, of any Priority shall "materially adversely affect" the Holders of Securities of any other Priority for the purposes of this Ordinance so long as such amendment does not change any coverage percentage established for such Priority of Securities or is not an amendment that requires the consent of the Holder of such Security under Section 23B(a)(1) or (2).

(c) A confirmation of the rating of the Securities held by Holders affected by any amendment of or supplement to this Ordinance shall be conclusive evidence that such Holders were not materially adversely affected by such amendment or supplement.

B. Amendments With Consent.

(a) With the consent of the Holders of not less than 51% in principal amount of Securities then Outstanding, the City may from time to time and at any time amend this Ordinance in any manner by Act of Council; provided, that no such amendment shall:

(1) reduce the aforesaid percentage of Holders of Securities required to consent to an amendment to this Ordinance without the consent of the Holders of all Securities then Outstanding, or

(2) without the consent of the Holder of each Security affected thereby:

(i) extend the fixed maturity of such Security or reduce the rate of interest thereon or extend the time of payment of interest, or

reduce the amount of the principal or redemption premium thereof, or reduce or extend the time for payment of any premium payable on the redemption thereof, or

(ii) change the Priority of such Security or deprive such Holder of the right to payment of such Security from Pledged Assets.

(b) It shall not be necessary for the consent of the Securityholders under this Section to approve the particular form of any proposed Act of Council but it shall be sufficient if such consent shall approve the substance thereof. The consent of the Holder of a Security shall bind all Holders of any Security for which such Security was the predecessor.

(c) For the purpose of acquiring consent for the purposes of this Section, the consent of a Securityholder acquiring a Security in an offering remarketing in which the offering or remarketing circular or other disclosure document fully disclosed the terms of such amendment or supplement shall be considered obtained as if such consents were being solicited under this Section, but no actual consent shall be required, and no more than one such disclosure shall be required.

(d) Promptly after an Act of Council amending this Ordinance pursuant to this Section has obtained the requisite consent, the Finance Director shall cause the Transfer Agent to notify, by mail at their addresses shown in the Registry, or by publication, Holders of all Outstanding Securities affected by such amendment, of the general terms of the substance of such Act of Council. Filing notice pursuant to the continuing disclosure agreement in respect of such Securities shall constitute sufficient notice for the purposes of this subsection.
